REVISED OSWESTRY BACK PAIN DISABILITY QUESTIONNAIRE

Name Da	te
Please read carefully:	
This questionnaire has been designed to enable us to understar	nd how your hack nain has affected your ability to manage
everyday life. Please answer every section, and mark in each se	
you may consider that two of the statements in any one section	relate to you, but please just circle the one letter which
most closely describes your problem right now.	
SECTION 1 - Pain Intensity	
A. The pain comes and goes and is very mild.	SECTION 6 - Standing
B. The pain is mild and does not vary much.	A. I can stand as long as I want without pain.
C. The pain comes and goes and is moderate.	B. I have some pain while standing, but it does not increase
D. The pain is moderate and does not vary much.	with time.
E. The pain comes and goes and is severe.	C. I cannot stand for longer than 1 hour without increasing
F. The pain is severe and does not vary much.	pain.
SECTION 2 - Personal Care	D. I cannot stand for longer than 1/2 hour without increasing
A. I would not have to change my way of washing or dressing in	pain.
order to avoid pain.	E. I cannot stand for longer than 10 minutes without increasin
B. I do not normally change my way of washing or dressing	pain.
even though it causes some pain.	F. Pain prevents me from standing at all.
C. Washing and dressing increases the pain, but I manage not	SECTION 7 - Sleeping
to change my way of doing it.	A I get no pain in bed.
D. Washing and dressing increases the pain and I find it	B. I get pain in bed, but it does not prevent me from sleeping
necessary to change my way of doing it.	well.
E. Because of the pain, I am unable to do some washing and	C. Because of pain, my normal night's sleep is reduced by less
dressing without help.	than one-quarter.
F. Because of the pain, I am unable to do any washing or	D. Because of pain, my normal night's sleep is reduced by less
dressing without help. SECTION 3 - Lifting	than one-half. E. Because of pain, my normal night's sleep is reduced by less
A. I can lift heavy weights without extra pain.	than three-quarters.
B. I can lift heavy weights but it gives me extra pain.	F. Pain prevents me from sleeping at all.
C. Pain prevents me from lifting heavy weights off the floor.	SECTION 8 – Social Life
D. Pain prevents me from lifting heavy weights off the floor, but	A. My social life is normal and gives me no pain.
I can manage if they are conveniently positioned, on a table.	B. My social life is normal, but increases the degree of my pain
E. Pain prevents me from lifting heavy weights, but I can	C. Pain has no significant effect on my social life apart from
manage light to medium weights if they are conveniently	limiting my more energetic interests, eg, dancing, etc.
positioned.	D. Pain has restricted my social life and I do not go out very
F. I can only lift very light weights, at the most.	often.
SECTION 4 - Walking	E. Pain has restricted my social life to my home.
A. Pain does not prevent me from walking any distance.	F. I have hardly any social life because of the pain.
B. Pain prevents me from walking more than 1 mile.	SECTION 9 - Traveling
C. Pain prevents me from walking more than 1/2 mile.	A. I get no pain while traveling.
D. Pain prevents me from walking more than 1/4 mile.	B. I get some pain while traveling but none of my usual forms
E. I can only walk using a stick or crutches.	of travel make it any worse.
F. I am in bed most of the time and have to crawl to the toilet.	C. I get extra pain while traveling but it does not compel me to
SECTION 5 - Sitting	seek alternative forms of travel.
A. I can sit in any chair as long as I like without pain.	D. I get extra pain while traveling which compels me to seek
B. I can only sit in my favorite chair as long as I like.	alternative forms of travel.
C. Pain prevents me sitting more than 1 hour.	E. Pain restricts all forms of travel.
D. Pain prevents me sitting more than 1/2 hour.	F. Pain prevents all forms of travel except that done lying
E. Pain prevents me sitting more than 10 minutes.	down.
F. Pain prevents me from sitting at all.	SECTION 10 - Changing Degree of Pain
OTHER COMMENTS:	A. My pain is rapidly getting better.
	B. My pain fluctuates, but overall is definitely getting better.
	C. My pain seems to be getting better, but improvement is slow
	at present.

Patient Signature/ Date

D. My pain is neither getting better nor worse.
E. My pain is gradually worsening.
F. My pain is rapidly worsening.

NECK DISABILITY INDEX OUESTIONNAIRE Patient Name Date Please read carefully: This questionnaire has been designed to enable us to understand how your neck pain has affected your ability to manage everyday life. Please answer every section, and mark in each section only **ONE CHOICE** which applies to you. We realize that you may consider that two of the statements in any one section relate to you, but please just circle the one letter which most closely describes your problem right now. **SECTION 1 – Pain Intensity** A. I can concentrate fully when I want to with no difficulty. A. I have no pain at the moment. B. I can concentrate fully when I want to with slight difficulty. B. The pain is very mild at the moment. C. I have a fair degree of difficulty in concentrating when I want C. The pain is moderate at the moment. D. The pain is fairly severe at the moment. D. I have a lot of difficulty in concentrating when I want to. E. The pain is very severe at the moment. E. I have a great deal of difficulty in concentrating when I want to. F. The pain is the worst imaginable at the moment. F. I cannot concentrate at all. SECTION 2 – Personal Care (washing, dressing, etc.) SECTION 7 - Work A. I can look after myself without causing extra pain. A. I can do as much work as I want to. B. I can look after myself normally but it causes extra pain. B. I can only do my usual work, but no more. C. It is painful to look after myself and I am slow and careful. C. I can do most of my usual work, but no more. D. I need some help but manage most of my personal care. D. I cannot do my usual work. E. I need help every day in most aspects of self care. E. I can hardly do any work at all. F. I do not get dressed, wash with difficulty and stay in bed. F. I cannot do any work at all. **SECTION 3 – Lifting** SECTION 8 – Driving A. I can lift heavy weights without extra pain. A. I can drive without any neck pain. B. I can lift heavy weights but it gives extra pain. B. I can drive as long as I want with slight pain in my neck. C. Pain prevents me from lifting heavy objects off the floor, but I C. I can drive as long as I want with moderate pain in my neck. can manage if they are conveniently positioned, e.g. on a table. D. I cannot drive as long as I want because of moderate pain in my D. Pain prevents me from lifting heavy weights but I can manage light to medium weights if they are conveniently positioned. E. I can hardly drive at all because of severe pain in my neck. E. I can lift very light weights. F. I cannot drive my car at all. F. I cannot lift or carry anything at all. SECTION 9 – Sleeping **SECTION 4 – Reading** A. I have no trouble sleeping. A. I can read as much as I want with no pain in my neck. B. My sleep is slightly disturbed (less than 1 hr. sleepless). B. I can read as much as I want with slight pain in my neck. C. My sleep is mildly disturbed (1-2 hrs. sleepless). C. I can read as much as I want with moderate pain in my neck. D. My sleep is moderately disturbed (2-3 hrs. sleepless). D. I cannot read as much as I want because of moderate pain in my E. My sleep is greatly disturbed (3-5 hrs. sleepless). F. My sleep is completely disturbed (5-7 hrs. sleepless). neck. E. I can hardly read at all because of severe pain in my neck. **SECTION 10 – Recreation** F. I cannot read at all. A. I am able to engage in all my recreation activities with no neck **SECTION 5 – Headaches** pain at all. A. I have no headaches at all. B. I am able to engage in all my recreation activities with some B. I have slight headaches which come infrequently. pain in my neck. C. I have moderate headaches which come infrequently. C. I am able to engage in most, but not all of my usual recreation D. I have moderate headaches which come frequently. activities because of pain in my neck. D. I am able to engage in a few of my usual recreation activities

- E. I have severe headaches which come frequently.
- F. I have headaches almost all the time.
